## ST 100 GT PROFILE SHEET

The ST 100 GT trim is a 100mm clear anodised aluminium cover plate.

Suitable for most solid bodied carpets, resilient flooring, concrete or timber.

3 recesses allow for 14mm grip tape to give secret fixings (**Grip Tape is an optional extra**)

Standard finish is 15 micron clear anodising.

Slip tested with 3 strips of grip tape only = P4 (no other testing carried out)

Standard length is 3.6 lm.

Please have the profile approved by the certifier prior to ordering.

Off set drilled at 230mm spacings.
